Commodity Name PRO-TREAT

Characteristics of Cargo Wax-like blue polymer with a slight wintergreen odor

Nature of Hazard None

Protective Devices Protective gloves and safety glasses

Emergency Action No action required.

Emergency Telephone No. 1-813-248-0585 (Chem-Tel International Emergency Response)

Spillage Sweep or scoop up spilled material and transfer to a suitable container.

Fire Small vehicle fires maybe handled with a dry chemical or CO2 fire extinguisher. For large fires, use water spray or fog. Move containers from the fire area if it is possible to do so without personal risk.

First Aid Wash exposed skin with soap and water. In case of eye contact, flush eyes with copious amounts of fresh water for 15 minutes. If irritation persists, get medical attention.

Note: This product is not considered hazardous; none of its components are listed in the CIS Database.
