International Maritime Organization Class No. 8

UN No. UN3262

Commodity Name: Pro-Universal Granular Coil Cleaner

Characteristics of Cargo: Granular orange solid.

Nature of Hazard: H11-80 Corrosive/Irritant (Limited Quantity)

Protective devices: Safety glasses or chemical splash goggles. Latex, neoprene or nitrile gloves. Dust mask or air purifying respirator. Eyewash bottle with clean water.

Emergency Action: EAC-2X

Avoid contact with skin or eyes. Avoid breathing dusts or mists. Don respiratory protective device and keep out of the danger area. If the material has entered a water course or sewer or been spilt on or vegetation, inform police.

Fire: This product is not a fire hazard. Do not attempt to deal with any fire involving the load. Move containers from the fire area if it is possible to do so without personal risk.

Emergency Telephone No.: 1-813-248-0585 (Chem-Tel International Emergency Response)

Spillage: Scoop up spilled material and transfer to a suitable container.

First Aid: Wash exposed skin with soap and water. In case of eye contact, flush eyes with copious amounts of fresh water for 15 minutes. If irritation persists, get medical attention.
